

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF MISSOURI  
EASTERN DIVISION

IN RE GENETICALLY MODIFIED )  
RICE LITIGATION ) No. 4:06MD1811 CDP

**This order applies in the following cases:**

4:07CV51CDP, *Ballman v. Bayer*

4:07CV53CDP, *Parson v. Bayer*

4:07CV54CDP, *Watson [Powell] v. Bayer*

**ORDER**

I have fully considered the motions to reconsider filed by the plaintiffs in each of these cases, and I will not change the earlier order. The parties must comply with the orders previously issued, and if there is a jurisdictional problem, we will deal with that if and when the plaintiffs decide to refile their dismissed actions.

Accordingly,

**IT IS HEREBY ORDERED** that the motions to reconsider in each of the above cases is denied.
